Staffed Amtrak Stations are shown in UPPER CASE.

All San Joaquin Trains and Buses require advance reservations.

Passengers boarding at unstaffed stops or stations must make reservations in advance, and are advised to purchase tickets in advance from a travel agent or Amtrak. Passengers without tickets, boarding trains at unstaffed stations, or boarding trains at staffed stations that are closed at time of departure, must have made reservations in advance, but may purchase tickets from the train conductor without penalty. Passengers without tickets, boarding buses at unstaffed stops, or boarding buses at staffed stops that are closed at time of departure, will be carried to the next open ticket office to purchase tickets from their boarding point (except on some bus routes, where tickets can be purchased from the bus driver).

BICYCLES - Most *San Joaquin* coach cars have bicycle racks that hold 3 bicycles each. Passengers are responsible for securing their bikes, and spaces are available on a first-come, first-served basis. On Thruway buses, passengers may stow their unboxed bicycles in the underfloor storage area, however Amtrak assumes no responsibility, and passengers must load and unload their own bikes. Boxed bicycles may also be sent as checked baggage to and from staffed stations.

Special Rates for Frequent Riders

Take advantage of these special discounts for frequent riders on the *San Joaquins*:

45-day ten-ride ticket: Special fare for 10 one-way trips. Valid for 45 days, including date of sale. May be used by multiple riders traveling together.

Unlimited Monthly ticket: Valid during the calendar month for which issued for unlimited rides between stations named on the ticket (or intermediate stations between those two locations). May only be used by the passenger whose name appears on the ticket.

These multi-ride tickets may be purchased at any staffed Amtrak station, or by calling 1-800-USA-RAIL. *San Joaquin* passengers with multi-ride tickets do not have to make advance reservations.

WHAT'S NEW ALONG THE ROUTE?

- More service to Santa Barbara:** A fourth round trip has been added to the Bakersfield-Santa Barbara bus route, connecting with Trains 712 and 717. As with other buses on the route, stops are made at Fillmore, Santa Paula, Oxnard, Ventura and Carpinteria. See Tables 1f and 2a.
- More service to San Pedro:** Now most daytime *San Joaquins* have San Pedro connections, stopping at the Catalina Terminal. The terminal offers secure overnight parking (fee applies) and convenient connections to Catalina Island via the Catalina Express (www.catalinaexpress.com or 800-481-3470). Shuttle service to the nearby cruise ship terminal is also available.
- New Suisun/Fairfield Connections:** Trains 702 and 703 now have bus connections for the Suisun/Fairfield Amtrak station from Sacramento. In addition, *Capitol Corridor* trains offer connections to Train 704 (daily) and from Trains 713 (daily) and 715 (weekdays only).
- New Bus Stops:** A second bus stop has been added in **Napa** at the VINE Transit Center (1151 Pearl Street) in downtown. This stop offers easy transit connections to destinations throughout the Napa Valley. For VINE information call 707-255-7631. Buses will continue to stop at the Napa Valley Wine Train Station. A second stop has also been added in **Healdsburg** at the Singletree Inn, 165 Healdsburg Ave., near downtown. This stop is ideal for visitors, transit riders and local residents. For those who wish to park and ride, buses continue to stop at the Park & Ride lot at the south end of town.
- New Trinity County Service:** Connecting service and through ticketing are now available to Weaverville and Willow Creek via Greyhound connections at Redding or Arcata. See Table 3d on Page 6.
